

American Society of Plumbing Engineers Philadelphia Chapter

Plumbing Design School is back for 2024! September 16, 2024 thru December 9, 2024

**Classes held Mondays, 6:30pm
It's Virtual!**

**Online registration will open in August.
Classes will be limited in size.**

In Plumbing One, learn about Philly, PA and NJ plumbing codes, plumbing math, fundamentals of pumping systems, fundamentals of fire protection systems and much more!

In Plumbing Two, size gas piping systems, water heaters, hot water circulation systems, master mixing valves and learn about medical gases and NFPA 99, plus more!
